For Paulist Father:

A farewell reception will be tende d the visiting Paulist Fathers wh have been giving a mission in thes Islands during the past few weeks, a St. Louis College Hall on next Tues day evening, the 15th inst., at o'clock. It will be under the auspice of the American Federation of Cathelic Societies, and a general invitation is extended to the public, non-Catholi as well as Catholic, to be present. Th musical numbers will be under the di rection of Brother Francis of the College. Father Wyman, since leaving Honolulu, has been giving a missior at Hilo, while Father Stark has beet similarly employed at Walluku, late: joining Father Wyman at Hile whence they are expected to return to Honolulu today. Father Wyman barring accidents, will undoubtedly give a talk that will be most interest ing. He is a convert from Congrega-tionalism, and the committee will endeavor to have him tell how he came to choose the road to Rome. The Fa ther is an excellent extemporaneou speaker, seldom speaking from notes ather Stark will also undoubtedly have something worth while going to He is young, energetic, a thor American, brim full of patriot ism, with a very magnetic personality

The Fathers leave on the Alameda Wednesday to resume their labors in San Francisco, made doubly onerous by the late catastrophy and the fac that they came to the Islands at this time shows the disinterested charac ter of their work. Many who would like to meet the Fathers, but who have not as yet been able to do so, will have an opportunity on this occa-The Fathers will undoubtedly want to thank the people of this comfor the many courtesies shown them and kindnesses extended, and the public will also want to wish the Fathers bon voyage and success in their future labors
